NEW STAR REQUIREMENTS: PFT is no longer a requirement for STAR 2026 and there will be no classes called PFT in the Health and Safety calendar. We will now offer Medical Clearance/Respirator Fit testing for the members that do need it for work, it is not mandatory for STAR. **You MUST be clean shaven in order to participate.**

Any two in-person classes that the FTI of New England offers will qualify a member to be eligible for STAR 2026.
